

# Community Involvement Guidelines

At Enerplus, we embrace our responsibility to our employees and the communities in which we live, work and operate. We are committed to creating stronger communities through volunteer involvement and contributions to non-profit and community based organizations.

Through our donations of time and resources Enerplus is building relationships with our neighboring communities.

### **Enerplus supports projects focusing on:**

- Health, Research and Wellness - Fighting disease and sickness and promoting wellness
- Education - Supporting the future leaders of our industry
- Health, Safety and Environment - Protecting the health and safety of our communities and preserving our environment
- Community Living - Assisting programs and organizations that improve the quality of life in our communities

### **Funding Criteria - all requests for support should demonstrate (in order of priority):**

- Consistency with community needs and our business focus
- Opportunities for volunteerism and meaningful participation for Enerplus employees
- How Enerplus will be recognized
- Partner development opportunities

### **Application Procedure for Donations and Sponsorship:**

- We will consider requests for funding throughout the year
- All requests must be in writing and applications must include a completed donations sponsorship form
- Applications for retroactive funding will not be accepted

### **Ineligible Organizations/Programs include:**

- Religious and or sectarian organizations
- Individuals and for-profit organizations
- Professional solicitors or third-party fundraising
- Debt-reduction campaigns
- Private foundations
- Film, video, television and book productions
- Advertising
