Mr. Kehrig joined Enerplus in 2002 as Manager of Business Development and has been a key contributor in all of our acquisition activities over that period. Mr. Young is a seasoned Land Professional with over 25 years of direct land experience. He started his career at Imperial Oil and held positions of increasing responsibility over his 13 year tenure. From there, Mr. Young held the position of Vice President of Land at a junior oil and gas company for over 10 years and also consulted to a variety of oil and gas clients. His primary focus will be on Canadian operations and will work closely with the conventional and oil sands teams as well as the Resource Development team. Mr. Young holds a Bachelor of Commerce degree from Mount Allison University in New Brunswick.

We congratulate Mr. Kehrig on his promotion and welcome Mr. Young to Enerplus. These positions will be instrumental in helping to build a stronger foundation for the future of Enerplus.
