Enerplus Resources Fund is Canada's oldest and one of North America's largest conventional oil and gas income funds. Since inception, we have provided investors the opportunity to participate in an income-generating investment within the energy industry that distributes cash monthly from the sale of our oil and natural gas production. We are committed to providing investors with a superior return on their investment and will continue to seek opportunities that create value and enhance the sustainability of our business over the long-term.

Enerplus trust units trade on the New York Stock Exchange under the symbol "ERF" and on the Toronto Stock Exchange under the symbol "ERF.UN".

Gordon J. Kerr
President & Chief Executive Officer
Enerplus Resources Fund

Except for the historical and present factual information contained herein, the matters set forth in this news release, including words such as "expects", "projects", "plans" and similar expressions, are forward-looking information that represents management of Enerplus' internal projections, expectations or beliefs concerning, among other things, future operating results and various components thereof or the economic performance of Enerplus. The projections, estimates and beliefs contained in such forward-looking statements necessarily involve known and unknown risks and uncertainties, which may cause Enerplus' actual performance and financial results in future periods to differ materially from any projections of future performance or results expressed or implied by such forward-looking statements.
