Enerplus is an income-oriented investment in the oil and gas industry. Established in 1986, we are one of Canada's oldest and largest independent oil and gas producers. We have built a balanced and diversified portfolio of producing properties across western Canada and the United States with a focus on large resource plays that offer predictable production and repeatable, lower-risk development opportunities.

An electronic copy of this presentation as well as copies of our financial statements, press releases, and other public information are available on our website at www.enerplus.com
